Our starting menu is not a compromise on quality.

₹1,000 and ₹1,300 packages are designed to provide excellent food, quality ingredients and a complete catering experience.

The difference in our higher packages is the level of variety, customization, presentation, service style and luxury experience we create for your guests.

Because at Riwaaz Luxe, we believe:

“It’s not just about what is served on the plate — it’s about how the entire experience is remembered.”
